ALLOWANCE

Response to Arguments

Applicant's arguments, see Pre-Appeal Brief filed 7/11/06, with respect to the rejection of claims 62-71 have been fully considered and are persuasive. The rejection of claims 62-71 has been withdrawn.

Allowable Subject Matter

Claims 62-71 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to teach or fairly suggest "generating a set of presentation streams corresponding to a programming channel having programming data, each of the presentation streams in the set corresponding to a different one of the plurality of market segments, each of the presentation streams in the set carrying the same programming data as the programming channel and at least one advertisement directed to the market segment to which the presentation stream corresponds" where the set of presentation streams are simultaneously delivered to a switching device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
